**PART 2 – Final Comments: Do you feel that you team worked effectively together? What do you think contributed to the success/failure of your group work? Do you have any comments or concerns about this project? (please write something in this area to receive credit)**

*One of the best groups where all person is ready to provide quality work. Yes, I believe that my team and I worked well together to make everything feasible. We attempted to divide the task fairly, and everyone gave it their all. The secret to our success is Dedication. Our initiative aims to address real-world issues that are relevant to our careers. If we implement the project I believe that our UIU students would greatly benefit from this.*

**PART 3 – Anything that I need to know? Group dynamics, problems, etc... (please write something in this area to receive credit)**

*Mutual respect was ideal, group dynamics were excellent, and communication was efficient. Productivity, smart work distribution, and creativity were encouraged by group dynamics.*
